

A nighttime photograph of a busy street intersection in Downtown Cranford. A large, multi-story brick building with many windows is the central focus. The street is illuminated by streetlights and the headlights of cars. A traffic light on the right shows a green light. A street sign above the intersection reads "S. UNION AVE".

DOWNTOWN CRANFORD

A daytime photograph of a street scene in Downtown Cranford. On the left, a tree with white blossoms is in the foreground. In the background, there are brick buildings, including one with a "RESTAURANT" sign. A street sign for "S. UNION AVE" is visible. The scene is bright and clear.

BE PART OF THE SCENE!

From the Downtown Office

Summer brings so many people outside to enjoy dining, shopping or just walking around the downtown. In fact, we encourage you to leave your car home and take a walk downtown – it's good for you and free. Besides, you may just discover something new. Let our bright blue banners be your guide to Walk, Shop, Talk, Dine, Sit and Enjoy!

In the past year, we welcomed several new businesses and look forward to a few more opening in the coming months. And, some business owners decided to expand or move to new, larger spaces. The interest in downtown is strong and the continued investments and confidence in Cranford are encouraging. Downtown Cranford continues to grow as a vibrant place with people shopping, going out to eat and visiting from many other towns. And, people living downtown support local businesses and bring a new energy that creates a sense of neighborhood.

The unique, specialty businesses that help to define our community also give it a friendly, more personal charm. We're glad to see growing support for local businesses and appreciation that they are an important part of our community. The next time you are at a local business, stop in and say "thanks" for supporting our schools, teams, organizations, clubs and charities throughout the year. Together, we make Cranford a really special place.

Sharing news about downtown is our favorite thing so we encourage you to connect with us on social media for the latest official announcements about businesses, events and special projects. Hold on to this magazine for the directory of downtown businesses and information about upcoming events, including the popular Scarecrow Stroll, now in its 10th year.

Enjoy the season and we'll see you downtown!

The Downtown Special Improvement District (SID) was established in 1985 by the Township Committee. The SID property owners pay an annual assessment to fund the Office of Business & Economic Development and activities like marketing, communications, maintenance, horticulture and events in the district. An 11-member SID Advisory Board is appointed by the Township Committee.

ART

PROJECT-2017

This summer, downtown Cranford will be the place for music and art lovers.

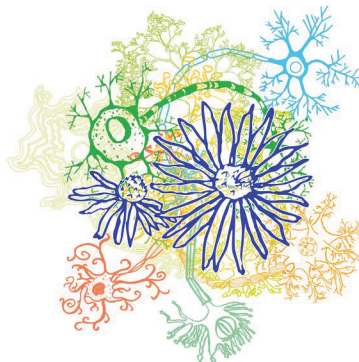

Our brightly colored piano, painted by student volunteers, will be set out by the Eastman Plaza Clock for anyone to play. We can't wait to hear the sweet sounds that come from it all summer long. So please join us and

“Let’s Make Music!”

Art will also be a focus of downtown this summer, as students will work with artist Ben Volta on creating a permanent art display at the train station.

4th, 5th and 6th graders will help Ben bring his “Neuron Garden” concept to life, and the artwork will eventually be etched into glass on the train platform.

These are only two of the things that we’re doing to make downtown Cranford the place you want to be this summer, and all year long.

Tips for parking in downtown Cranford

There are more than 800 spaces in the downtown for shoppers and visitors.

Parking is only 25¢ for 30 minutes but it can be expensive if you park at fire hydrants, tow away zones or other restricted areas. So, go for a metered space and remember to pay.

Making a quick stop to pick up lunch or dry cleaning? Park on the street, enter your space number, press "10 Minutes Free", take your receipt and go. (this option is not available in parking lots)

You can park in the metered street spaces for 1 ½ hours

Planning a longer visit? Parking is available in the lots for 3 hours and parking garage for 4 hours

Of course, you can always walk. It's good for you and free. Besides, you might discover new stores and restaurants on the way to your destination.

Have a parking question? Contact Cranford Police at 272-2222

**Parking is always FREE after
6 pm and on Sundays**

The Scarecrow Stroll welcomes hundreds of visitors to Downtown Cranford.

So let's get ready to show off our town and community spirit.

This is your chance to be a part of one of Cranford's most beloved traditions.

Start creating your own memories and join in the fun!

Did You Know?

There are more than **200 properties** in the
Downtown Special Improvement District.

In **1985**, Cranford established the first Special Improvement District in NJ.

There are **229** business properties in the Business Improvement District.

The district includes more than **300** retail, dining,
professional and personal service businesses.

There are **800 metered spaces** available to the public on
the street, in lots and garage.

There are **396** Victorian street lights; **43** sidewalk benches,
23 brick sidewalk planters, **65** hanging baskets, **50** fence baskets
and almost **100** banners that are part of the downtown streetscape.

The business district ***EXTENDS*** on North & South Ave.
from Centennial Ave. to the Garwood border; from Springfield Ave.
to Chestnut & Cherry Street.

The thriving downtown neighborhood includes people
of all ages living in more than
800 apartments,
townhouses and condos.
