Re: Makatom, Morningside, Indian Spring, and Orchard Drainage Improvement Project – Neighborhood Meeting Notice

Dear Resident:

This letter is to notify you about an upcoming infrastructure improvement project in your neighborhood. The Township of Cranford (the “Township”) is committed to improving our network of roads and has included your road in this year’s program. Through the competitive public bid process, the Township will be accepting bids for roadway improvements for:

- **Makatom Drive** from the dead end to Beech Street
- **Morningside Place** from Makatom Drive to Indian Spring Road
- **Indian Spring Road** from Morningside Place to Orchard Street
- **Orchard Street** from Brookside Place to Dartmouth Road

We invite you to join us in a virtual meeting for neighborhood residents on **Wednesday, March 31, 2021 at 7pm to 8pm via Zoom**. The Township Engineer will present the project and be available to answer questions. You can see the Project plans and virtual meeting information on www.cranfordnj.org/engineering-department.

The Makatom, Morningside, Indian Spring, and Orchard Drainage Improvement Project includes the following improvements:

- Installation of drainage structures
- Installation of Belgian block curbing along the radius of the intersections
- Select driveway apron and depressed curb improvements
- Milling and resurfacing of the roadway
- Installation of roadway striping, stop signs, and stop bars.

Please note that the installation of curbing is not being considered as it would restrict the ability to allow parking on both sides of the roadways and does not meet the current Residential Site Improvement Standards.

We anticipate awarding a contract to the lowest responsible bidder at a Township Committee meeting in May for the project to break ground in June 2021. This infrastructure improvement project may cause temporary inconvenience because of the nature of work. We appreciate your patience during this period and will attempt to minimize the inconvenience as we work to improve your area. If you have any questions or comments in regard to this notice or in regard to the major infrastructure improvement project in general, please contact Jamie Cryan, Township Administrator at 908-709-7206 or j-cryan@cranfordnj.org.
