NOTES:

1. Contractor to construct sidewalks, curbs and aprons as per Township standards.
2. Sidewalks crossing driveways must be in concrete and with reinforcement.
3. Call (908) 709-7218 for inspection on sidewalk, curb and apron construction after forms are placed and before pouring occurs, at least 24-hours in advance.
4. Call (908) 709-7218 for Road Opening permit inspection, at least 24-hours in advance.
5. Contractor to notify the Cranford Police Department if police traffic directors are required during sidewalk, curb and apron construction.
6. Contractor to obtain approval from the Cranford Police Department for dumpster placement within the Township owned streets. Call the Police Department at (908) 709-7336 for inquiries and to hire traffic directors.
7. Dumpsters placed on the driveways **Do Not** required a permit.
8. Dumpster regulations are enforced by the Township's Police Department and Health Office.
9. Contractor required to post a bond as part of the road opening permit. The minimum bond is \$1,000. Exact amount of bond to be determined at the time of issuing the permit. The bond will be retained by the Township for a minimum of three (3) months after the acceptance of the work. The bond will be returned upon a written request by the person or company doing the work.
10. Permit form & details can be downloaded from the Township's website (www.cranford.com) or obtained directly from the Engineering office. Bring the permit along with the fee or bond for proper processing.
