

HOW DO I CHANGE MY NAME AFTER MARRIAGE?

The Township does not assist with name changes. This document is to help couples navigate through the process. If you should have questions, please contact the State/Federal agencies for assistance.

How to change your name on your PASSPORT:

How to change your name and/or change HEALTH BENEFITS:

Please see your employer’s Human Resource Office. In most cases, the employer needs a certified copy of your marriage certificate. It is often necessary to re-fill insurance benefits paperwork as well. However, your employer will be able to assist you with this process. If you subscribe for health benefits on your own, call your health insurance company to see what is required.
