ENGINEERING AIDE – CRANFORD TOWNSHIP. Union County. Cranford Township seeks a full time Engineering Aide to join the Township's Department of Engineering. This position will report directly to the Township Engineer. Graduation from an ABET accredited college with a BS in civil engineering and 0-3 years of relevant work experience is required, with an EIT certification preferred. A combination of experience in the following areas is preferred: design of roadway resurfacing/reconstruction, stormwater management systems, sanitary sewer systems, and other municipal infrastructure; inspection of municipal infrastructure and civil site projects; review of planning/zoning board applications. Knowledge of NJDEP Flood Hazard Area Control Act Rules and NFIP Community Rating System Program a plus. Proficiency in software including Microsoft Office (Word, Excel, etc.), AutoCAD Civil 3D and GIS software required. Salary shall be commensurate with experience and qualifications. Please email your resume confidentially to Cathy Scotti – Assistant to the Township Administrator at c-scotti@cranfordnj.org. Position open until filled. Cranford is an Equal Opportunity Employer.
