11.02 – Omitted

11.03 – Omitted

11.04. The potential for fluctuation of the Percent Share for each of the Member Municipalities from one year to the next is due to variations in the three (3) separate components utilized to determine the Percent Share, i.e. flow, TSS, and BOD. 11.2. The allocation for TSS for each Member Municipality shall be in the same proportion which the suspended solids contributed by such Municipality bears to the sum of the TSS contributed by all of the Member Municipalities as may be determined by the Authority and as measured at the NJDEP recognized location(s) in the Authority's NJPDES Permit.

11.3. The allocation for BOD for each Member Municipality shall be in the same proportion which the BOD contributed by such Municipality bears to the sum of the BOD contributed by all of the Member Municipalities as may be determined by the Authority and as measured at the NJDEP recognized location(s) in the Authority's NJPDES Permit.

11.5. Woodbridge hereby reconfirms that the Treatment Plant and such disposal works and additions and alterations thereto, as the Authority may consider necessary and proper, may be constructed and maintained within Woodbridge. In consideration of this determination, in determining the allocation for each of the Member Municipalities under this Section 10, there shall first be deducted and not included in the computation the use by Woodbridge to the extent of, but not

exceeding, 500,000 gallons per day, average daily flow, and not more than 833 pounds per day of TSS and BOD, for which Woodbridge shall not be obligated to pay.

11.6 – Omitted

11.7 – Omitted

11.8. All charges to the Member Municipalities shall be billed annually and shall be due and payable in two (2) equal installments, April 1st and July 1st, and shall be paid to the Treasurer of the Authority. Payments that are not made by the fifth day of the applicable month shall bear interest at the rate of 6% per year.

12 – Omitted

13.1. The Authority shall not have the power to change the point of connection with the sewer of any Member Municipality except with the consent of such Member Municipality.

13.2. If any change in the location of the sewer is made at the request of any Member Municipality, any additional cost caused thereby shall be paid by said Member Municipality.

13.3 – Omitted

13.5. The Authority reserves the right to review and impose limits on the amounts of trade wastes which can be discharged into the Sewer or its connecting laterals based upon the capacities of the various segments of the Sewer.

14. – Omitted

15. If, pursuant to the provisions of Section 9.1 of this Agreement, a Member Municipality shall accept sewage from a nonmember municipality for ultimate transmittal to the Sewer and treatment at the Treatment Plant, the responsibility for payment of all costs and charges incident to the contribution of said sewage shall be that of the Member Municipality accepting such sewage and the Member Municipality shall be responsible for any violations arising from the handling of such sewage. The Member Municipality may require the non-member to reimburse it for any or all such costs and charges.

16 – Omitted

17.1. In order to amend this Agreement, the Board of Commissioners shall initially introduce the proposed amendment by passage of a Resolution by a majority vote. Approval of the proposed amendment and any revision(s) to the original Resolution shall require passage of a second Resolution at a following meeting by a minimum vote of three-fourth of all of the Commissioners then appointed by their respective Member Municipalities.

17.2. Proposed amendment(s) approved by the Board of Commissioners after two (2) Resolutions as set out in Section 17.1 shall then be submitted to the governing body of each of the eleven (11) Member Municipalities.
