- (e) which does not permit investments in instruments that: are subject to high price volatility with changing market conditions; cannot reasonably be expected, at the time of interest rate adjustment, to have a market value that approximates their par value; or utilize an index that does not support a stable net asset value; and

VI. SAFEKEEPING CUSTODY PAYMENT AND ACKNOWLEDGMENT OF RECEIPT OF PLAN

To the extent that any Deposit or Permitted Investment involves a document or security which is not physically held by the Township of Cranford, then such instrument or security shall be covered by a custodial agreement--with an independent third party, which shall be a bank or financial institution in the State of New Jersey. Such institution shall provide for the designation of such investments in the name of the Township of Cranford to assure that there is no unauthorized use of the funds or the Permitted Investments or Deposits. Purchase of any Permitted Investments that involve securities shall be executed by a "delivery versus payment" method to ensure that such Permitted Investments are either received by the Township of Cranford or by a third party custodian prior to or upon the release of the Township's funds.

To assure that all parties with whom the Township of Cranford deals either by way of Deposits or Permitted Investments are aware of the authority and the limits set forth in this Plan, all such parties shall be supplied with a copy of this Plan in writing and all such parties shall acknowledge the receipt of that Plan in writing, a copy of which shall be on file with the Designated Official(s).
