Addendum to Standard Application Form 1 ; #8

Kate & Andrew Rubin
38 Roger Avenue
Cranford, NJ 07016

To Whom It May Concern,

Seven years ago we fell in love with our house on 38 Roger Avenue and continue to feel that way each day. We were the first showing the day our house was listed and toured it with our then one year old daughter Julianna strapped onto me in her carrier. That tour was all we needed to start envisioning our life in Cranford. Our house was only on the market for one day and we went up against six other offers. Two days later our offer was accepted and it was the BEST day. I remember saying to Drew "I LOVE this house...it's just too bad it doesn't have that porch we wanted!" But, it had everything else so we figured maybe this is just our starter home and someday we'll move to a house with a great big porch. Little did we know seven years later we'd feel completely different.

Fast forward to current day, our one-year old is now eight and we have our 2nd daughter Emily who's five. It's become abundantly clear that this isn't just our starter home as we've formed a life here that we love. When we started this permit process friends started sending us house listings and said "why don't you just find a new house with a porch" but we have NO interest in leaving our neighborhood or friends, let alone our town. We've fallen in love with Cranford for SO many reasons. Our girls have made friends in the neighborhood, and we love watching them call on each other to play as they have gotten older. On Saturday & Sunday mornings, you'll find me & Drew sitting on our front yard in our Adirondack chairs, chatting with neighbors, watching people stroll to the park, and playing fetch with our dog. We hope to continue that with this porch and to meet even more people in our community that have recently moved in.

While we have always loved porches, COVID has made us appreciate outdoor space even more. With this eight-foot porch we will be able to get together with friends and neighbors outside in a covered space, something that we weren't able to do during the pandemic. Almost every year we have attended Porchfest and I promise if we get this porch, we'll be hosting one of the bands!

COVID has also changed our work schedules and we no longer need to rush out of the house to catch trains each morning. We now find ourselves sitting out on our front lawn daily drinking coffee and catching up on work emails before we walk our children to elementary school each morning. By having this porch, we will be able to spend every season outside enjoying our more flexible work environment since we are now at home much more and will be going forward.

Finally, we've been overwhelmed by the sense of community here in Cranford; Drew joined the Jaycees a couple years back and we're so impressed & grateful with the outreach they do, particularly the Santa deliveries at Christmas and most recently the Hurricane Ida relief. We have good friends in Scotch Plains & Westfield and no other town has a sense of community like Cranford does. We'd never want to give up anything that Cranford has to offer and would like to add the missing piece of our dream home to our amazing community.

We truly appreciate your consideration.

Sincerely,
Kate & Drew Rubin
