Cranford Police Cooperative Pricing System Members,

We are excited to announce that the Cranford Police Cooperative Pricing System has awarded contracts for model year 2023 vehicles, by our Township Committee, at their October 25<sup>th</sup> meeting.

Your member agency is eligible under the present Cranford Police Cooperative Pricing System (Identifier #47-CPCPS) to take full advantage towards the purchase or lease of these vehicles whether or not you responded to our initial request earlier this year for approximate needs.

Attached is a listing of the four various vehicle models offered, their respective pricing and contact information for each of the assigned vendors. Please ensure to read the specifications for each vehicle carefully. It is up to your agency to make sure the vendors adhere to the prices reflected in the award.

Lastly, all orders should go directly through the awarded dealership. This contract award will expire on September 30, 2023. If you have any questions, please feel free to contact me at (908) 709-3990.

Sincerely,

Edward R. Davenport  
Captain of Police  
Cranford Police Department
