THE TOWNSHIP DOES NOT PICK UP LEAVES ON COUNTY ROADS

If You Chose to Bag Your Leaves:

- Use biodegradable bags only (available at most home centers).
- Bagged leaves should be kept on your property until your next scheduled pickup or taken to the Conservation Center during scheduled hours.

REMINDERS

- Follow pickup schedule.
- DPW cannot pick up leaves with twigs, branches, grass or debris in leaf piles. These materials pose hazards to employees and can cause damage to leaf collection equipment.
- If possible, do not park in the street when collection crews are in your zone.
- Never park a car on a pile of leaves, even if the pile is wet.
- **Do not rake leaves out after Sunday, Dec. 18.**

We recommend residents bag leaves whenever possible. This helps keep streets cleaner and prevents leaves from blocking storm drains.

2022 Leaf Collection Program

1. Rake leaves to the gutter line on the Friday, Saturday and Sunday before your scheduled pickup. Once your street is picked up, DO NOT rake anymore leaves into the street.
2. It is the homeowner's responsibility to have their landscaper comply with the schedule and guidelines to avoid getting a warning or fine.
3. All sections of town will have at least three leaf pickups. A final pickup of all sections will begin on approximately December 19 and continue until December 30, weather permitting.
4. **No leaves are to be placed out after December 18.**
5. If you live on a county road, leaf pickup schedules can be found at: www.ucnj.org or by calling 908-789-3660. The following are Union County Roads: **Springfield Ave., Centennial Ave., Walnut Ave., Raritan Rd., Kenilworth Blvd., South Avenue East & West**

Conservation Center

210 Birchwood Avenue

Year-Round Hours of Operation

Wednesdays Saturdays & Sunday
9:30 am to 3:20 pm 9:30 am to 3:50 pm
Closed Sundays in January & February

Permits are NOT required to drop leaves at the Conservation Center.

You must show proof of residency.

The NJ Dept. of Environmental Protection has instituted Municipal Stormwater Regulations prohibiting:

- **The placement of leaves within 10 ft. of any catch basin; or**
- **The placement of leaves at the curb line for more than 10 days.**

DPW makes every effort to adhere to this schedule, however, weather conditions may affect pickup dates. Check online for updates: www.cranfordnj.org/public-works

If you miss a pickup you can:

1. Bring leaves to the Conservation Center
2. Wait for your next scheduled pickup
