**THE TOWNSHIP DOES NOT PICK UP  
LEAVES ON COUNTY ROADS.**

## If You Choose to Bag Your Leaves:

- Use only biodegradable bags only (available at most Home Centers).
- Bagged leaves should be kept on your property until your next scheduled pickup or taken to the Conservation Center during scheduled hours.

## REMINDERS

- Follow pickup schedule.
- DPW cannot pick up leaves with twigs, branches, grass or debris in leaf piles. These materials pose hazards to employees and can cause damage to leaf collection equipment.
- If possible, do not park in the street when collection crews are in your zone.
- Never park a car on a pile of leaves, even if the pile is wet.
- Do not rake leaves out after Sunday, Dec. 12.

We recommend residents bag leaves whenever possible. This helps keep streets cleaner and prevents leaves from blocking storm drains.

## 2021 LEAF COLLECTION PROGRAM

1. Rake leaves to the gutter line on the Friday, Saturday and Sunday before your scheduled pickup. Once your street is picked up, **DO NOT** rake anymore leaves into the street.
2. It is the homeowner's responsibility to have their landscaper comply with the schedule and guidelines to avoid getting a warning or a fine.
3. All sections of town will have at least three leaf pickups. A final pickup of all sections will begin on approximately December 13 and continue until December 31, weather permitting.
4. No leaves are to be placed out after December 12.
5. If you live on a County road; Leaf pickup schedules can be found at: [www.ucnj.org](http://www.ucnj.org) or by calling: 908-789-3660. The following are Union County roads: Springfield Avenue; Centennial Avenue; Walnut Avenue; Raritan Road; Kenilworth Blvd; South Avenue East & West.

### CONSERVATION CENTER
