ADDENDUM TO APPLICATION No. ZBA-23-009

Block 320, Lot 58, Zoning District R-3

Premises: 223 Sailer St. Cranford, NJ 07016

Ladies and Gentlemen of the Zoning Board,

This letter is to serve as an elaboration of details for our decision to seek a variance to code 25526K2, and build an 8 ft. fence on the Eastern side of our backyard, which faces the Garden State Parkway (approximately 50 ft. from our property line).

We are seeking to install an 8 ft. solid privacy fence, with the unfinished side facing our home, for increased privacy and noise reduction.

There are no neighboring buildings adjacent to where this fence will be located.

Additionally, our next door neighbors at 225 Sailer St. Cranford NJ, 07016 received an approved Zoning Board application (No. 23-97) and have an 8 ft solid privacy fence installed to mitigate similar issues to the ones we are encountering.

Thank you for your time and consideration.

Sincerely,

Natalie Williams
