To ensure timely processing, please complete the checklist below:

Both sides of this application have been completed in full.

Two (2) copies of the current property survey (no more than 10 years old) have been provided:

One copy is a clean original that reflects *all existing conditions* on subject property (sheds, patios, walkways, etc.) The second copy shows *all proposed improvements* accurately illustrated (digitally or by hand) with distances to property lines and/or principal structure indicated.

If subject property is in the floodplain, property survey includes spot elevations around all structures.

Payment has been provided (cash or check). Checks shall be made payable to the "Township of Cranford".
